SUMMARY

- Hello! I am Vanessa Leonard C. Capuras, currently residing in Villa San Pedro, Basak Pardo, Cebu City. As a dedicated Information Technology student, I am passionate about leveraging modern skills to navigate and thrive in today's dynamic world.
- I am eager to contribute my skills and grow professionally in Information Technology, embracing the challenges and opportunities presented by the real world.
- Confident in my abilities, I possess strong problem-solving skills and a knack for critical thinking, honed through developing games and actively participating in coding-based problem-solving activities

EXPERIENCE

Artisan

07/2022 - 09/2022

[Holy Cross Parish Basak Pardo](#)

Cebu City

Church

- Utilized skills in painting, ceiling installation and wall construction to enhance the aesthetic appeal of the Holy Cross Parish. Painted designs on objects following desired styles or job specifications.

EDUCATION

Bachelor of Science Information Technology

07/2022 - Present

[Cebu Institute of Technology - University - Cebu City](#)

GPA: 4.5

Date period

As an Information Technology student with a keen interest in contemporary skills and advancements, I have cultivated proficiency in problem-solving, critical thinking, and practical application through game development and coding challenges.

[School or University](#)

For reference, you can view my application with a database implementation on GitHub: ProjectJava. Additionally, I have developed a game which can be accessed via the following link: Game.
